

AEROSPACE APPLICATIONS

- » Adhesive Systems
- » Air Flow Management
- » Bezel Gaskets
- » Bonding Systems
- » Cargo Bay Insulation Panels
- » Cargo Ceiling Insulation Panels
- » Cargo Door Insulation Panels
- » Compressible Electrical & Thermal Conductors
- » Conductive Fabrics
- » Conductive Foams
- » Dielectric Insulators
- » Door Seal
- » Duct Insulation
- » Electrical Conduction & ESD
- » Electrical Insulators
- » EMI Absorbers
- » EMI Fabric Over Foam
- » EMI/RFI Shielding
- » Environmental Control Systems (ECS)
- » Environmental Seals
- » Flame Retardant Materials
- » Flexible Sound Damping Tape
- » Gaskets & Seals
- » Lavatory Gaskets & Sealing Systems
- » Molded and Extruded Plastic/Rubber
- » Nitrogen Generation Systems (NGS)
- » PC Board Electrical Insulators
- » Polyimide ECS Duct Insulation
- » Polyimide Oven Galley Insulation
- » Protective Edge Trim
- » Protective Tape
- » RF Absorption
- » RFI Shielding
- » Shock & Vibration Absorption
- » System Insulation Trays
- » Tapes (Double Sided/Transfer/VHB™)
- » Thermal Management

AUTOMOTIVE APPLICATIONS

- » Acoustic Insulation & Damping
- » Adhesive Systems
- » Baggage Mats
- » Battery Cushions
- » Belt Line Seals & Glass Run Channels
- » Body Moldings & Adhesives
- » Close Out Seal
- » Cosmetic Seals
- » Door & Window Seals
- » EMI/RFI Shielding
- » Engine & Radiator Gaskets
- » Gaskets & Seals
- » Hood Seals
- » Inner Fender Shielding
- » Mud Flaps, Splash Shields & Primary; Secondary Window
- » Protective Masking
- » Quarter Fender Shields
- » Recirculation Shielding
- » Shock & Vibration Absorption
- » Underhood Seals & Baffles
- » Vibration Damping

PRODUCTS & SERVICES

- » Adhesive Application
- » Certification/Traceability
- » Comprehensive Quality Assurance Program
- » Custom Kitting & Prototype Design
- » Design Assistance
- » Extensive Inventory Fabricating & Converting
Kanban and Special Inventory Programs
- » ISO 9001-2008 Registered
- » Kiss-Cutting
- » Lean Manufacturing
- » Production & Prototype Runs
- » Special Packaging
- » Value-Added Assembly

PROCESSES

- » High Speed Die-Cutting
- » Routing
- » Slitting & Shearing
- » Steel Rule Die & Precision Die-Cutting
- » Water Jet Cutting
- » Knife Cutting
- » Laser Cutting
- » Engraved Tooling
- » Class B Tooling

STANDARD MATERIALS

- » Adhesives Pressure Sensitive
- » Bisco® Silicone Foams
- » Cho-Therm
- » Compressed Gasket Materials
- » Electro Magnetic Products
- » EMI Shielding Tapes
- » Elastomers (*Buna Nitrile, EPDM, Neoprene, SBR*)
- » Formex®
- » Gap-Pad®
- » HDPE/LDPE
- » Kapton®
- » Kydex®
- » Lexan®
- » Mylar®
- » Nomex®
- » Nylon
- » Phenolics
- » Poron®
- » PTFE
- » Silicone Rubber
- » Sil-Pad®
- » Sponge Foam
- » Teflon®
- » Therm-A-Gap™
- » UHMW
- » VHB Tapes™
- » Viton®
- » Many Others

MAJOR PARTNERS

- » Thermoseal™
- » 3M™
- » American Biltrite™
- » Bergquist™
- » Chomerics™
- » Diversified Silicones™ (Rubber and Foam)
- » Dow™
- » Garlock Sealing Technologies™
- » GE™
- » Klinger International GmbH™
- » Sabic Plastics™
- » Laird Specialties™
- » Rogers Poron and Bisco™
(Urethane and Silicone Rubber/Foams)
- » Trelleborg Reeves™
- » Thermagon™

Wilsonville, Oregon

Corporate Headquarters
9325 SW Ridder Road, Suite 420
Wilsonville, OR 97070
T 503 685-9092
F 503 685-9033

Denver, Colorado

3800 Revere Street
Denver, CO 80239
T 303 375-9354
F 303 371-0457

Sales Locations

Denver, CO
Portland, OR
Salt Lake City, UT
Seattle, WA
