

GASKETS & SEALS

Applications:

- » Automotive Gaskets
- » O Rings/O Ring Cord
- » Custom Fabrications
- » Door Gaskets
- » Dust Proofing
- » EMI Shielding Gaskets
- » Exhaust Gaskets
- » Intake Gaskets
- » Kamprofile Gaskets
- » Lens & LCD Gaskets
- » Solid Metal Gaskets
- » Spiral Wound Gaskets
- » Full Face Joint Gaskets
- » Weather Stripping
- » Thermally Conductive Interface Materials
- » Thermally Conductive Insulators
- » Phase Change Materials
- » Custom Extruded EMI Gaskets
- » Conductive Elastomers
- » Shielding Foil & Fabric Tapes
- » Shielding Sheets & Films
- » Electromagnetic Compatible
- » Fabric Over Foam
- » Conductive Tapes
- » Gaskets & Conductive Materials
- » RFI/EMI Absorbers

Characteristics:

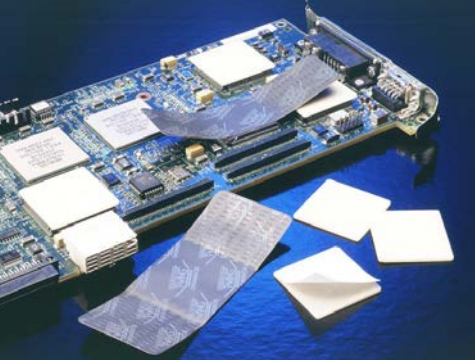

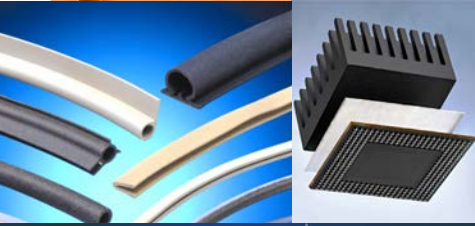

- » Available in Sheets, Rolls, Cord & Die-Cut
- » Electrically Insulating
- » EMI/RFI Shielding
- » Flame Retardant
- » Flexible
- » Heat Resistant
- » Low Break-Away & Running Friction Seals
- » Mold Resistant
- » Oil Resistant Plain or Adhesive-Backed
- » Tapes, Double-Sided Tapes, Transfer Tapes & VHB Tapes
- » Reinforced or Non-Reinforced
- » Resilient
- » Shock Absorbent
- » Static Dissipative
- » Thermally Insulating
- » Vibration & Acoustic Dampening
- » Durometer, Compression Set, Density, Color & Style

PRODUCTS & SERVICES

- » Adhesive Application
- » Certification/Traceability
- » Comprehensive Quality Assurance Program
- » Custom Kitting & Prototype Design
- » Design Assistance
- » Extensive Inventory Fabricating & Converting Kanban and Special Inventory Programs
- » ISO 9001-2008 Registered
- » Kiss-Cutting
- » Lean Manufacturing
- » Production & Prototype Runs
- » Special Packaging
- » Value-Added Assembly

PROCESSES

- » High Speed Die-Cutting
- » Routing
- » Slitting & Shearing
- » Steel Rule Die & Precision Die-Cutting
- » Water Jet Cutting
- » Knife Cutting
- » Laser Cutting
- » Engraved Tooling
- » Class B Tooling

STANDARD MATERIALS

- » Adhesives Pressure Sensitive
- » Bisco® Silicone Foams
- » Cho-Therm
- » Compressed Gasket Materials
- » Electro Magnetic Products
- » EMI Shielding Tapes
- » Elastomers (*Buna Nitrile, EPDM, Neoprene, SBR*)
- » Formex®
- » Gap-Pad®
- » HDPE/LDPE
- » Kapton®
- » Kydex®
- » Lexan®
- » Mylar®
- » Nomex®
- » Nylon
- » Phenolics
- » Poron®
- » PTFE
- » Silicone Rubber
- » Sil-Pad®
- » Sponge Foam
- » Teflon®
- » Therm-A-Gap™
- » UHMW
- » VHB Tapes™
- » Viton®
- » Many Others

MAJOR PARTNERS

- » Thermoseal™
